

Art No. PL0007

## 200Mbps Powerline Ethernet Adapter

The PL0007 transmits bandwidth intensive data easily and securely over the existing electrical wiring – without installation effort. This adapter has a speed of 200 Mbps, thus ensuring maximum voice and video reproduction. TV and video images are received and displayed with absolute smoothness. Powerline Device is the best solution for no-new-wire networking in the house or office.

### Specification:

- HomePlug AV Specification compliant
- Transfer rates of up to 200 Mbps - for applications that require a high bandwidth
- Supports OFDM, 1024/256/64/16/8 QAM, QPSK, BPSK, and ROBO modulation schemes
- Frequency : 2 MHz ~ 30 MHz
- Security : 128-bits AES encryption
- Support IGMP managed multicast IP transmission
- IEEE 802.3, 802.3u 10/100M Ethernet standard
- Power Source: 100V / 240V AC, 50~60 HZ
- LED Indicators: PWR - Power LED  
PLC- Powerline Activity LED  
Ethernet - LAN Link / Activity LED

### System Requirements:

- Pentium III 300 MHz or above
- Powerline Ethernet Adaptor can support any Operation System. But the Powerline Utility can only support Windows 2000/XP/Vista/Windows 7
- 64MB RAM or above
- 25MB free disk space

Art No. PL0007

## 200Mbps Powerline Ethernet Adapter

### Package Content:

- 1 x 200Mbps Powerline Ethernet Adapter
- 1 x RJ-45 Ethernet Network cable
- 1 x Powerline Utility CD
- 1 x Quick Installation Guide
- 1 x User Manual

### Packaging Information:

- Packing Dimension: mm
- Packing Weight: kg
- Carton Dimension: mm
- Carton Q'ty: pcs
- Carton Weight: kgs
