

Art No. BT0009

Micro Bluetooth USB Dongle, Class 1

This compact USB Bluetooth Nano adapter can create a wireless connection to other Bluetooth devices like a PDA(handheld), mobile phone, GPS receiver, mouse or another computer. It is even possible to use your mobile phone to have internet access wherever you are. The low power consumption and compact form factor (only sticks out 10mm) allows you to leave it plugged into your notebook/netbook.
